Development of the FM Ride Source

The FM Ride Source Directory provides the metropolitan area of Fargo and West Fargo, North Dakota and Moorhead and Dilworth, Minnesota with a list of transportation services primarily for people with disabilities and people over age 60. All of the transportation services, including private transportation providers and government- supported transit, are available to the public. This information is also available at www.fmridesource.com.

The FM metropolitan area is a regional medical center and a hub of human and social services. The population needing access to these services is growing, and transportation is an important part of living independently. This directory is designed to make it easier to find all of the specialized transportation options in one place.

The FM Ride Source was first printed in 2010 in place of the Directory of Transportation Services, published annually by Fargo-Moorhead Metropolitan Council of Governments (MetroCOG) since 1978. This is a joint mobility management project of Fargo-Moorhead Metro Area Transit (MATBUS) and MetroCOG. MATBUS is jointly operated by the Cities of Fargo and Moorhead.

The information in this directory may change between printings. It is best to contact the transportation provider for the most up-to-date information regarding their service.

While the Cities of Fargo and Moorhead strive to make the information in this directory as timely and accurate as possible, the Cities of Fargo and Moorhead make no claims, promises, or guarantees about the accuracy, completeness, or adequacy of the contents of this document, and expressly disclaim liability for errors and omissions in the contents of this document. No warranty will be given of any kind, implied, expressed, or statutory, including but not limited to the warranties of non-infringement of third party rights, title, merchantability, or fitness for a particular purpose.

Reference in this directory to any specific commercial product, process, or service, or the use of any trade, firm, or corporation name is for the information and convenience of the public, and does not constitute endorsement, recommendation, or favoring by the Cities of Fargo or Moorhead.

2-1-1

We are pleased to partner with FirstLink to include 2-1-1 as a resource for people seeking a list of transportation options - as well as information on other community services - 24 hours a day, 7 days a week.

All you have to do is press 2-1-1 on your telephone, and you will discover contact information for specialized transportation and health and human service providers in the area. 2-1-1 callers in North Dakota and Clay County, Minnesota will be connected to FirstLink HotLine, which provides confidential listening and support, in addition to information and referral. Explore the FirstLink database by clicking the Community Resources button at www.myfirstlink.org.

Only contact information is provided when calling 2-1-1. You will be responsible for calling the transportation provider if you want to arrange a ride to your destination.

2-1-1 also offers active military member support, veteran support and military family member support. In addition, call specialists are trained in crisis intervention. If you or someone you know is suicidal, please call the National Suicide Prevention Lifeline at 1-800-273-8255 (TALK).
