

MAT Paratransit Application Form for Persons with Disabilities

This application form is used by MATBUS to determine eligibility for MAT Paratransit for persons with disabilities with limited ability to use the MATBUS fixed route service in the cities of Fargo/West Fargo, North Dakota and Moorhead/Dilworth, Minnesota. Those applying for discount fare on the MATBUS fixed route only due to disability and not Paratransit must complete a different application form. Anyone who is Paratransit eligible is automatically eligible for discount fare on the MATBUS fixed route.

MATBUS sends a form to verify your disability to the professional you identify on the authorization form. A final determination of eligibility will occur within 21 days of receiving the application form, authorization form, and professional verification form. If Paratransit eligibility is denied, the reason for the finding will be included, in a letter along with a description of the appeals process. Some information requested on this application is optional, this includes date of birth and gender and is not used as a basis for determining paratransit eliaihility
