**B. Other Project Considerations**

1. Relocation

No persons, families or businesses will be displaced by these projects.

2. Environment

These projects will not have a significant environmental impact upon the transit service area identified above.

3. Comprehensive Planning

This project is in conformance with comprehensive land use and transportation planning for the area and is consistent with the adopted program of projects in the Transportation Improvement Program for the Fargo-Moorhead urbanized area.

4. Elderly and Handicapped

This project takes into consideration the special transportation needs of the elderly and disabled by providing half-fare bus service during all hours of operation, along all fixed routes, to elderly persons and individuals with disabilities as well as providing MAT Paratransit, wheelchair accessible service on a demand responsive basis to disabled persons of any age who are ADA Paratransit Eligible, and Metro Senior Ride service on a demand responsive basis to elderly persons 60 years and older.

5. Charter Bus Operations

The City of Moorhead will not be engaging in charter bus operations.

6. School Bus Operations

The City of Moorhead will not be engaging in school bus operations exclusively for the transportation of students or school personnel.

7. Private Enterprise

The City of Moorhead is currently and plans to continue through 2021 contracting for the provision of mass transit services (operating) with a private operator.
